August 2002

Published by the Associated Students of Cerro Coso Community College  
ASCC...The SMART place to be!

## The A.S.C.C. Welcomes Dr. Sharon Dyer The New President

**Dr. Sharon Dyer:**  
*We look forward to getting to know her and to establishing a good relationship between Administration and Students.*

## Lockers

*Don't forget to renew your locker! Come to the Student Activities Office---room 248 to fill out a new agreement form. If you are new and interested in obtaining a locker, they are located on the first floor in the hallway by the Print Shop near the Admissions & Records office. All you need to do is select an empty locker, purchase a combination lock from The Book Nook (this is a must!), then stop by the office and fill out an agreement. Lockers are FREE and the agreement is good for one semester.*

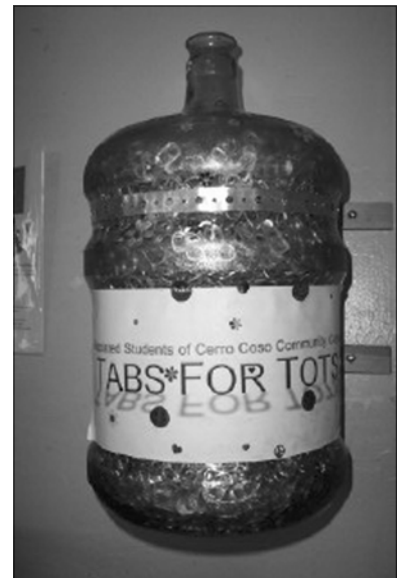

## ANNOUNCEMENTS

### TABS FOR TOTS

*Thanks to the many contributors over the past few months, our bottle is filled to the top! We will empty it and start again. So PLEASE save your can pop-tops and bring them to the Student Center and deposit them into the "Tabs For Tots" bottle located on the wall by the condiments table. The ASCC will decide which elementary school to donate them to when they meet in September. Thank you for your support---past, present, and future!*

### DID YOU KNOW?

Leonardo Da Vinci invented the scissors.

# It's Full!
